

Evidence table number	What is on this table?	What does this tell you about Holy Communion?	Explain how this shows the importance of Holy Communion for a believer today?	How can I link what I can see to my own life?	Use this space to make extra comments/ ask questions or link to other evidence tables
4	Photographs of people receiving communion in different ways,	Some people kneel down. Children can take it. Some people use bread-crumbs. People can have their own cups for it.	It shows what they have to do to take it. So they know what to use eg. a chalice.	So I respect people's different ways of taking communion.	What are the mini cups called that people drink the wine from?
5	Questions and answers, different ways of how different churches do holy communion.	Different ways of how churches do holy communion. How they take it and about the past.	It tells about different people and what goes on in their churches. It is important for people to know so that they can do these things when they go to church.	It shows the actions and you can understand different beliefs.	Do all religions take communion?
6	A chalice, Eucharist, altar cloth and a cover	What you eat and drink from.	It is expensive, clean and holy.	This is what I drink from in church.	Are they very expensive.
